At the Crossroads

You to the left and I to the right,
For the ways of men must sever--
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

A FRIEND TO EVERY STUDENT

PROPERTY OF
THE LIBRARY OF VIRGINIA
RICHMOND, VA

DEDICATION

With all her hard work -- filling out permanent records, sending students' applications to colleges, keeping records in the office -- our dedicatee is always smiling. Her friendly disposition and her wonderful personality have gained her the friendship and the respect of all the students at George Wythe.

She earned her degree in accounting at Sullins College, where she was a member of the Hoof-Print Riding Club and was an assistant riding instructor. A real sports enthusiast, she still has a great interest in horses.

In addition to her day's work as secretary, she attends athletic events, dances, and programs at George Wythe. One often sees her with a carload of sports equipment or cheerleaders or students going to an out-of-town game.

In appreciation for her service, devotion, and friendship to all George Wythe students, we dedicate THE ECHO for 1964 to Mrs. Jennie Lou Morris.

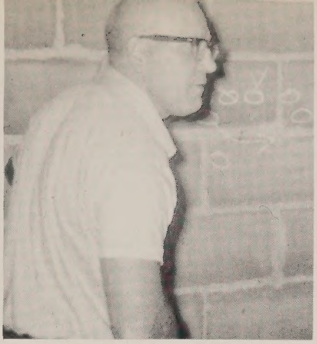
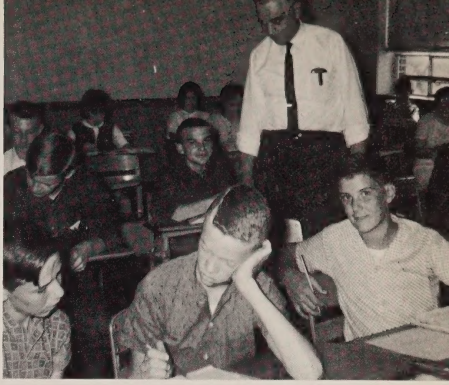
Several students entered projects in the science fair. Don Crawford won the Air Force Award for Electronics in the regional science fair.

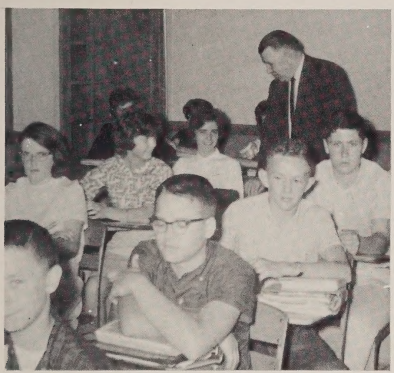


We received instructions in our extracurricular activities. Coach White diagrams a play during the half at Pulaski.



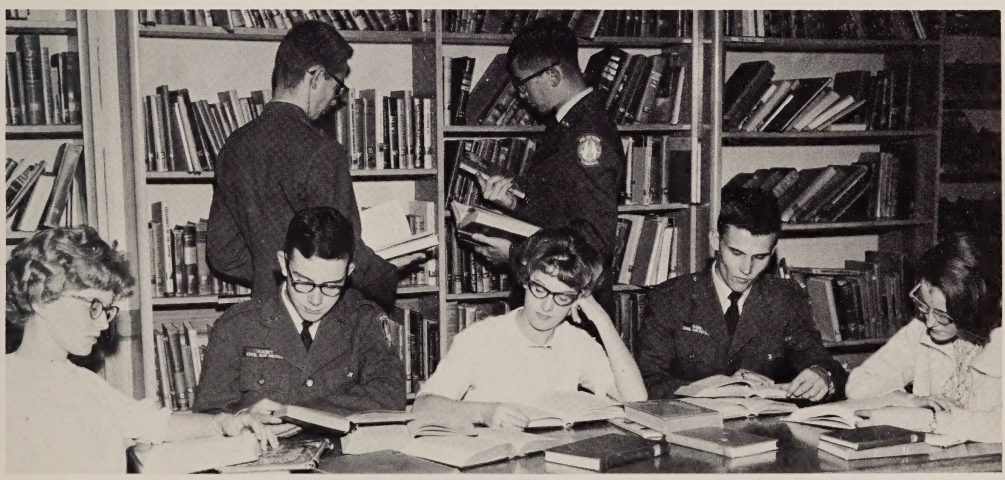
Mr. Reynolds helps some of his science students with an assignment.

INSTRUCTING



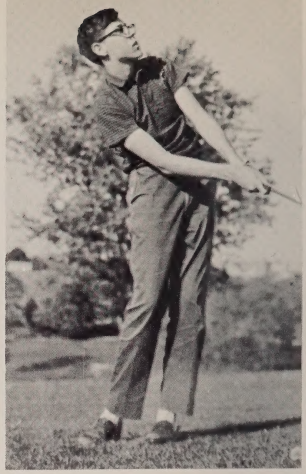
In civics class many students learned about our country's government. Mr. Parson chats with a student before the bell.

After studying our assignments, we had to take tests on the material we had covered. Mrs. Damron's physics students appear to be working diligently on a difficult test.



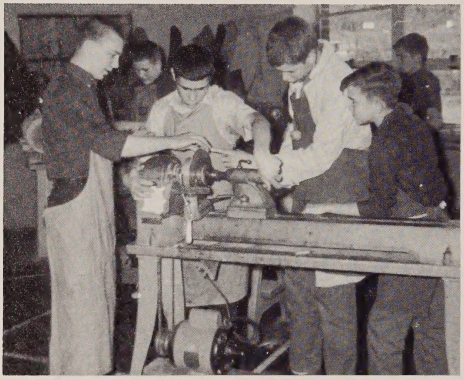
Most students did research work for their classes. Ann Kelley, Don Crawford, Patty Wohlford, Jon Ballard, Kathy Rowe, Kenneth Fisher, and Tony DuVal study in the library during study hall.

Most students enjoyed participating in the physical education classes. These girls are resting after doing exercises.



On the golf team Ronnie Pattison learned good sportsmanship and developed his golf skills.

LEARNING



In industrial arts boys learned to use certain manual skills. Whitey Gilbert, Roger Copenhaver, Mike DeWilde, and Mike McCloud work with a wood lathe.

Nancy Williams and Larry Corvin stroll down the hall before the start of another school day.

In home economics Barbara Grubb, Juanita Richmond, Linda Goble, Margaret Mitchell, and Sandra Rogers study about cooking.

A typical between-class scene. Darrell Layne and Sharon Poole get books for their next classes.

Civil Air Patrol cadets served the school in many ways. Here Tony DuVal and Don Crawford take down the flag at the end of a school day.

The Maroon Band performed during halftime at the football games. Dennis Goff, Kenneth Wright, and Gary Hoback lead the Band off the field after another fine show.

CONTRIBUTING

Several clubs carried on activities in the community. Mary Ann Wilson, Pat Udell, and Lee Harmon present a D.E. radio program.

The majorettes also performed at football games. Rebecca Kincer, Deloras Archer, Barbara Lindamood, Naomi Walters, and Sue Ingo prepare to march onto the field.

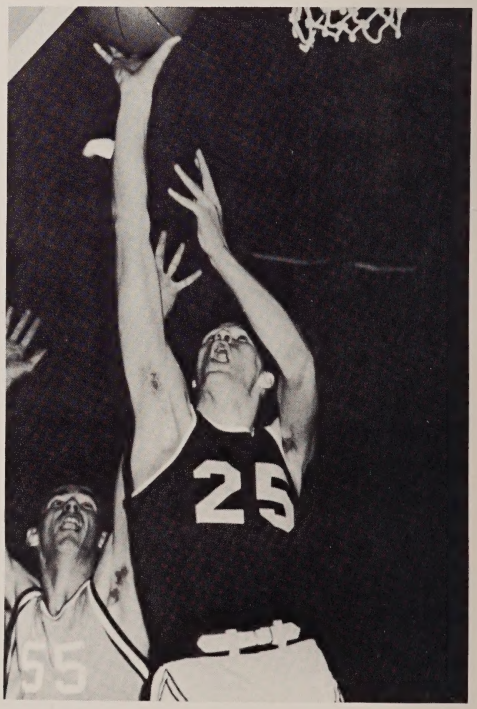
Practicing almost every afternoon (in baseball uniforms as well as in dress uniforms), the sharp C.A.P. drill team earned marching honors for their squadron. At Danville the drill team won first place in the state for marching. Later the unit competed in the regional contest.

The baseball program at George Wythe, in only its third season, has greatly improved. Al Copenhaver jumps back from an inside pitch in the Radford game.

The only interscholastic sport for girls at George Wythe is basketball. It's all arms, as Ellen Bowman, Kay Patton, Andrea Cassell, and some Chilhowie girls scramble for a rebound.

COMPETING

Golf, a two-year old sport at George Wythe, proved to be an important part of the athletic program, as many boys tried out for the team. John Pendleton drives on the sixth hole in the Galax match.



The basketball team compiled the best record in the school's history, winning fourteen of eighteen games. Jackie Kirby outjumps a Giles opponent to score.

Faculty members enjoyed not only working but also playing with students. In the senior-faculty softball game, Mike Callahan crosses home plate after slugging a home run. Mr. Irvin waits for the throw.

Homecoming was full of excitement - the floats, the game, the dance, the announcing of the king and the queen. On the Queen's Float are last year's queen, Lynn Kegley, and candidates for queen, Susan Davis, Rickey Howard, Bobbie Hampton, Teresa Musser, and Brinda Blankenship. Didn't Brinda have a hard time staying on the float?

PARTICIPATING

Everyone on the yearbook staff worked hard to make the Beauty Contest a big success. Deloras Archer represented the Hi-Y Club in the contest.

The seniors were filled with memories and dreams as they participated in Class Day. Jerry Umberger and Billy Pollard read the prophecies.

The biggest social event for the year was the Junior-Senior Prom. Couples chat between dances.

A fun-filled event was the Boys' Beauty Contest. Wayne Kirby (Or is it Sheena?) dances during the program.

Henry Brooks Adams

The Wythe County School Board: Mrs. Sue Kilby, Secretary; Mr. Alfred McGavock; Miss Sarah Dickens, Deputy Clerk; Mr. A. Strode Brockman, Division Superintendent; Mr. Richard Rowe, Clerk; Mr. Ray Painter; Mr. Thomas Jackson.

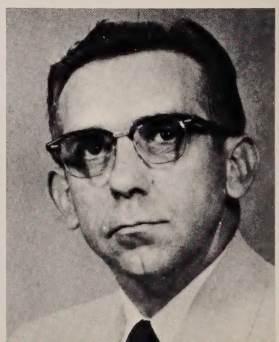
COUNTY SCHOOL ADMINISTRATION

Mr. O. M. Johnson, Chairman of the School Board.

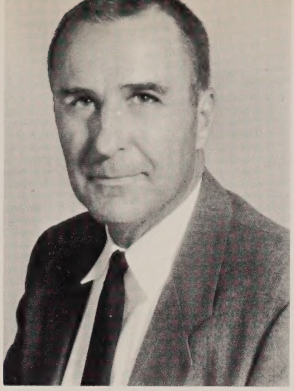
Mr. A. Strode Brockman, Division Superintendent.

Mrs. Nancy Gibbs, General Supervisor; Miss Frankye Armentrout, Elementary Supervisor; Mr. Charles Warden, Director of Instruction.

Mr. James Montgomery, Visiting Teacher.



Miss Peggy Copenhaver and Mrs. Judy Blevins, student teachers from Radford College, helped some of our hard-working faculty members. Miss Copenhaver taught English and social studies, and Mrs. Blevins taught chemistry and mathematics.



Mr. Ben Rowe taught many of us driver's education.

TEACHERS

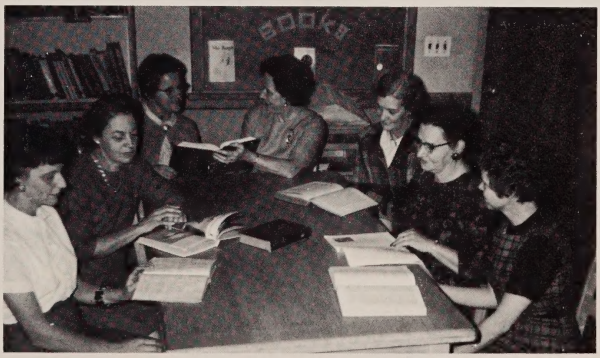
Our teachers supported all of the students' activities. Here Mrs. Williams and her husband give Mr. Kaylor their tickets for a home football game.

Our teachers always had time to be friendly as well as to give assignments. Mr. Whitt chats with a student.

Mrs. Parson and Kathy Rowe discuss geometric Christmas designs which Mrs. Parson's students made.

Mrs. Don Knox, a student at Radford College, helped teach biology and mathematics.

Mr. Gene Breene and Mr. Homer McCoy from Virginia Polytechnic Institute helped teach Distributive Education.



Several of our teachers took extension classes during the school year. These teachers attended an extension course in reading: Mrs. Turpin, Miss Armentrout, Mrs. Umberger, Dr. Eleanor Lester (Professor), Mrs. Young, Mrs. Williams, and Mrs. Bowman.

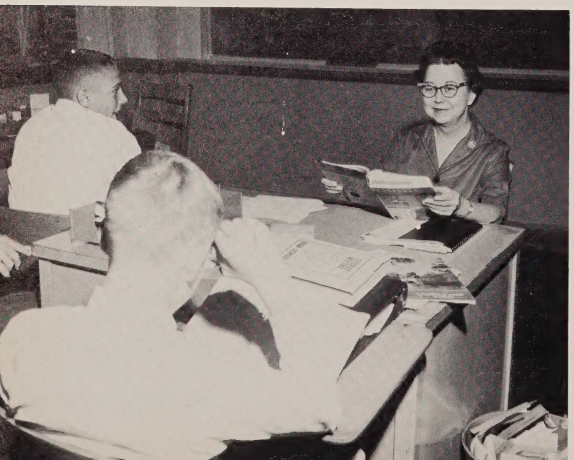
OUR FACULTY

We shall always remember those teachers who guided us through the mechanics of English, math, foreign languages, agriculture--all our courses at George Wythe. To these wonderful persons we owe much more than we can express. Their guidance has helped us to have a better understanding of the value of an education. They have helped us to develop our skills both in the classroom and in extracurricular activities. To the faculty of George Wythe High School, we, the students of George Wythe, express our deepest appreciation for their unfailing efforts.

Many students carried on experiments in their science courses. Mrs. Jacoby helps Andrew Bralley with a dissection project in biology class.

Our teachers worked in their classes with much enthusiasm. Mr. Shrader seems to be full of energy, as he wrestles with Larry Lyons and Foy Frye during a physical education class.

In addition to her duties as guidance counselor, Mrs. Greever taught English.

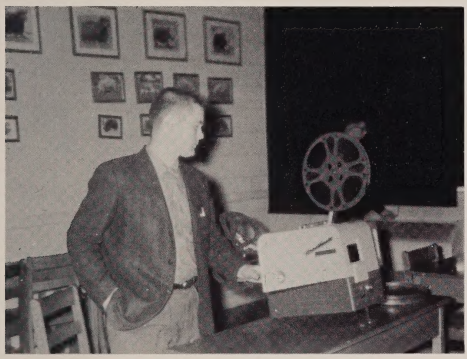


The faculty members enjoyed participating with students in special events. Here Mr. Cuba has a jump ball in the faculty-senior girls basketball game.

Mr. White and his math students concentrate on a problem on the board.

Teachers enjoyed talking with students. While on hall duty, Mr. Armbrister chats with some young friends.

Faculty members helped with work in the office. Mr. Parson checks a student's absentee card before school.



Films often helped teach us some important principles in our classes. Mr. Bobbitt prepares to show a film about cattle.

A highlight of the year for the teachers was the basketball game with the senior girls. Beside the faculty cheerleaders, Joe Hoback and Dennie Sutherland, Coach Irvin watches his faculty team in action.

Members of Mr. Tucker's art class display one of their drawings. The fine arts class had several exhibits in the school and also in the community.

SENIOR CLASS OF 1964

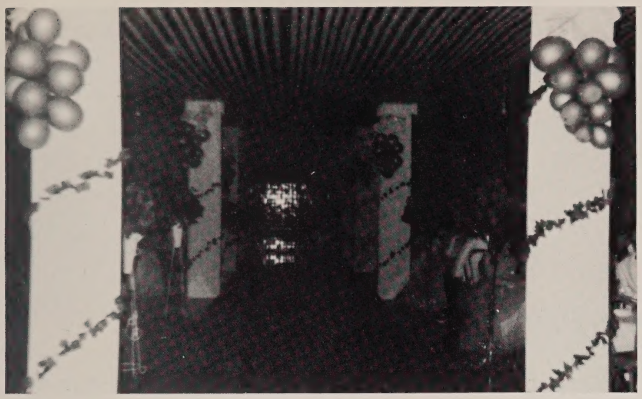
At last the day had arrived! We were a little bewildered at first; but as we grew accustomed to our schedules and the buildings, we liked George Wythe High School more and more. Soon we realized that we were a real part of the school.

Our sophomore year promised to be a good one. Many of us began playing under new coaches: Mr. Cuba, Mr. White, and Mr. Kepley. Most of us joined more clubs and took a larger part in school activities. Also we began to realize the importance of our school work.

All of us looked forward to an exciting junior year. During our magazine sale, we almost doubled our goal! The stationery drive was also a big success. Then we had fun planning for the Valentine Dance and campaigning for the candidates for king and queen. Finally we began making plans for the prom. We selected a theme and a band and then began decorating the gymnasium. The decorations were beautiful! We shall always believe that our prom was the best ever held at George Wythe. Another highlight of our junior year was the arrival of our rings. We were really glad to get them!

Finally we were seniors. We had looked forward to this year since we first came to George Wythe. We enjoyed our last year at George Wythe High School, presiding over clubs, playing in ball games and concerts, studying MACBETH! We realized how much we had gained during the past four years, but we also realized how much we had failed to accomplish.

Then we suddenly realized that we had attended our last class, played our final ball game, cheered our last cheer as students of George Wythe High School. We had graduated.



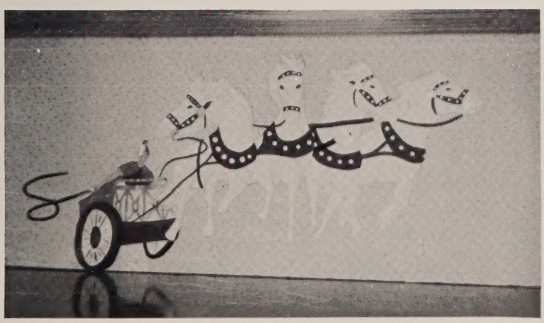
As they entered the gymnasium, couples passed through a row of majestic columns decorated with ivy and gold grapes.

As some students push a scaffold, others finish stringing the ceiling.

ROMAN MEMORIES

In the center of the gymnasium was an ivy-covered fountain. The theme wall is in the background.

Couples rest, as the band takes a ten-minute break.



On either side of the theme was a Roman chariot scene drawn by some of the students.

The theme of our prom: "Rome Adventure."

JUNIOR CLASS

At last we were juniors! When we entered George Wythe High School in 1960, we thought the day would never come when WE should be upperclassmen.

Our year started off busily with magazine and stationery sales. Both of these drives were successful. Another means of raising funds for our prom was the Valentine Dance. Several of us helped decorate the gymnasium for the dance. The decorations were pretty, and everyone certainly looked nice!

One of the year's highlights was the arrival of our class rings, which came shortly after Christmas. We were really proud of those rings!

Finally prom time arrived. After selecting a theme and a band, we scurried thither and yon to gather the necessary items to make our prom a pretty one. Then came the night of the prom--a night which we had long waited for. Our prom was really colorful, and all of us will remember the hard work which we did to make it a success.

Another important aspect of our junior year was the Scholastic Aptitude Test given May 2. Many of us took the test, and some students were brave enough to take the achievement tests. Since practice tests had been given in the fall, we had an idea of what College Boards were going to be. Still those of us who plan to attend college suddenly realized that we must begin doing something about it.

This year was a busy year for all of us --studying on assignments, working in clubs, participating in the band and in sports, competing in contests. We shall never forget this year, but now we look forward to our senior year and the future--with high hopes and high ideals for higher education!

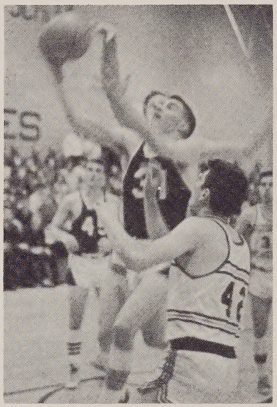
Students in Mrs. Parson's solid geometry class enjoy decorating the geometrical Christmas tree.

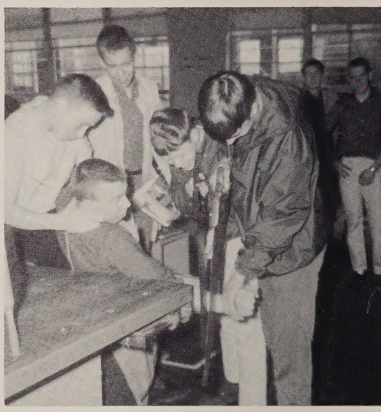
Members of the varsity football team appear to be full of energy during a pep rally in the gym.

OUR FRIENDS

Gene Lambert and Les Udell cut a piece of metal with a scroll saw during industrial arts.



Bruce Patterson drives through Fort Chiswell's defense to score.



Some industrial arts students seem to be getting out of hand. It appears that Roger Mills, Mike DeWilde, Gene Lambert, and Kedrick Hilton want to disarm Whitey Gilbert.

Sandra Rogers, George Miller, and Jackie Hunley enjoy listening to a tune; and Jon Ballard makes a comment about the song.

Mr. Irvin's sixth period government students work on an assignment.

A familiar sight at George Wythe--Linda White pushing Gail Farthing down the hall.

Deborah Jones was a contestant in the beauty contest.

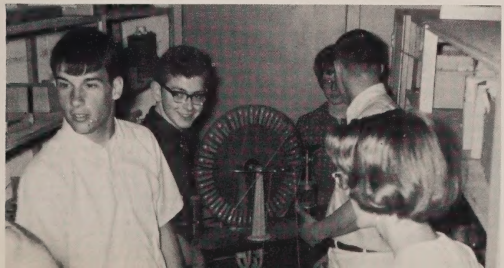
Debbie Gates talks with Rod Crowgey before school. Rod has just had his hair cut for the C.A.P. drill team, but he has solved his "baldness" problem.

Mr. Witten apparently has something on his mind; but D.E. students Ella Sue Umberger, Dewey Hagy, Lynne Umberger, Pat Udell, and Sonja Hedge are having fun at the D.E. party.

Kay Patton jumps enthusiastically, but a Chilhowie player gets her shot off.

The Maroon Band plays in the Christmas parade.

Bruce Patterson, Donald Daugherty, Ann Kelley, Ranny Chitwood, and Kathy Rowe conduct a physics experiment on static electricity.



Waiting for their bus after school, Buster Hounshell, Odell Umberger, Garnett Cregger, and Jimmy Tickle relax on the lawn.

WITHER-WANE STAFF

The WITHER-WANE, the school newspaper, is the student's source of school news and activities. Published six times a year, the paper features news articles, student-drawn cartoons, pictures, and club news.

Each year the WITHER-WANE is evaluated at a press convention held at Washington and Lee University. To this convention the staff sends two representatives, who learn the techniques of publishing a school newspaper.

Reporters write stories, lay out the paper, and distribute the copies to students and advertisers. All members sell advertisements for the paper.

FIRST ROW: Barbara Jackson, Beryl Beamer, Thelma Cowden, Vicky Evans, Sue Anderson, Connie Kitts. SECOND ROW: Judy Shufflebarger (Business Manager), Phyllis Price, Dora Jackson, Angelise Davis, Sue Ingo, Tammy Whitt, Mary Helen Pruit, Peggy Brunk, Rickey Howard, Peggy Jo Phillips, Ann Allred, Sue Crigger.

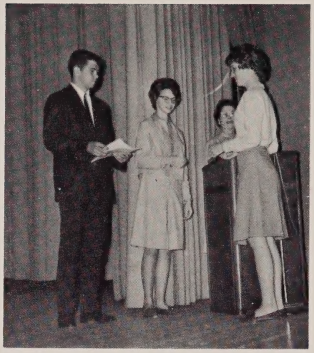
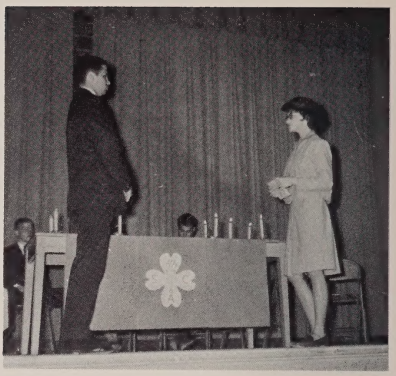
S.C.A. President
Teresa Musser



The S.C.A. gives awards to those students who demonstrate leadership and scholarship abilities during the year. Jerry Bonham, Teresa Musser, and Mrs. Greever present Phyllis Hagee her third Leadership-Scholarship Award.



During the installation of officers ceremony, next year's S.C.A. president, Jerry Bonham, takes the oath of office from present S.C.A. president, Teresa Musser. All new officers received the oath.

GOVERNMENT OF G.W.

The Student Co-operative Association is the governing body of George Wythe High School. Through this organization the students are able to carry their problems to the faculty and administration. Every student of George Wythe is a member of the SCA. He is represented by the members of the council. The representatives are homeroom, club, and class presidents, editors of the two school publications, and officers of the SCA.

The main purpose of the SCA is to develop citizenship, co-operation, health, recreation, and self-improvement in the school.

Some of the objectives of the SCA for this year are as follows: to encourage the growth of the SCA, to train members by solving school problems through group action, to help student officers, to acquire techniques of good leadership, to promote interest in SCA work, to bring about better relations between students and teachers, and to develop an Honor Creed for the students.

The SCA was very active throughout the year. One of the new activities was to place cards with the word HONOR on them in all the classrooms. These cards help to remind all students of their Honor Creed.

One of the annual awards was the Leadership-Scholarship Award. This award, one of the most coveted awards at George Wythe High School, is presented to students who have shown outstanding qualities of scholarship and leadership throughout the year.

Another of the SCA yearly activities is to present the Outstanding Club Award. During the year all the clubs which submit a list of their activities to the SCA are graded by a special committee. At the end of the year, the club which best meets the qualifications is the recipient of the award.

The SCA also has many other activities. At Thanksgiving devotions are presented over the public address system. The SCA also sponsors a March of Dimes drive, a Christmas Cheer drive, and a talent show for the entire student body.

NATIONAL HONOR

As the name suggests, the National Honor Society is a society of honor. The National Honor Society honors those students who have maintained a 90-B average during the first two and a half years of high school. The club strives to achieve a goal: to inspire more students to work diligently in their studies so that they too can be honored.

The purpose of the club is to build good citizens with leadership and scholarship abilities and also with a willingness to serve. Since much of the club's work is done in committees, good followers are needed in the club. The success of a project depends upon committee members' willingness to work.

Another phase of the club is a merit system. This year has been the "trial period" for the system. Next year it will go into full effect. Under this system each member is graded by the committee chairman, who in turn is graded by the president. A member may receive a maximum of five points on any project. Ten points are required per member for each semester. If he fails to earn his ten points, a member will be warned to make up the remainder of the ten points in the next semester. If he fails to do so, he will be asked to resign from the club, since service, as well as leadership and scholarship, is a basis for membership.

The National Honor Society has several fund-raising projects during the school year. These projects include the Boys' Beauty Contest, bake sales, and rummage sales. The money from these projects is placed into the National Honor Society Scholarship Fund. Through this fund, worthy seniors are awarded scholarships for their college tuition. Money for the Scholarship Fund is raised also by soliciting local businessmen. The recipients of the scholarships are selected by a board consisting of the principal, a special faculty board, and donors of twenty-five dollars or more. This year two one hundred-dollar scholarships and one three hundred fifty-dollar scholarship were awarded. Extra money is placed into a permanent scholarship fund.

The National Honor Society is a very necessary part of our school, as this club inspires the "students of today to be the leaders of tomorrow."

The George Wythe F.F.A. is a club for boys who are interested in some phase of agriculture. This organization is designed to strengthen boys in cooperation, participation, and leadership. It also helps boys become acquainted with the broad and challenging field of agriculture. The F.F.A. encourages members to build good characters and to develop a healthful attitude toward life.

Boys may become members of the F.F.A. at the beginning of their eighth-grade year. They take vocational agriculture as a school subject and learn many useful facts. Also the boys develop various skills in the vocational agriculture shop. F.F.A. boys have projects on their home farms, or they work for people who own agricultural businesses.

The F.F.A. is a very active club at George Wythe High School. The club has been a part of the school curriculum for ten years and has enjoyed many honors during this time. Members of the F.F.A. have always shown outstanding livestock at the summer fairs, and this year was no exception. Also the F.F.A. has won many state and national awards.

The F.F.A. secures finances by selling advertisements on the F.F.A. calendar and by carrying on numerous other projects. The club is a substantial, self-sufficient organization.

The F.F.A. has several projects: entering a float in the homecoming parade, holding an assembly program, entering a skit in Skit Night, sponsoring a radio program on WYVE, managing the pine trees on the school grounds, helping sponsor the C.A.R. Pony Celebration and Stock Show, distributing white pine and poplar seedlings to F.F.A. members, securing certified seed corn, participating in the State F.F.A. Convention at Virginia Polytechnic Institute, attending state F.F.A. camp, entering contests in the Smythe-Wythe F.F.A. Federation, purchasing grooming equipment for chapter livestock, and holding the F.F.A.-F.H.A. Fall Festival. The club has participated in seven livestock shows, including the Richmond State Fair, and has started a scholarship fund. Also the F.F.A. entry in the Boys' Beauty Contest won first place. This year has been a very successful one for the F.F.A.

The D. E. Club is one of the most active clubs at George Wythe High School. The George Wythe Chapter is affiliated with the Virginia association of DECA as well as with national DECA.

DECA identifies the program of youth activity relating to DE--Distributive Education Clubs of America--and is designed to develop future leaders for marketing and distribution. Student membership reaches 30,000 new members annually.

Purposes are (1) to develop a respect for education in marketing and distribution, which will contribute to vocational competence, and (2) to promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

All DE students learn through classroom studies and through related on-the-job experience; furthermore, club activities constitute a valuable source for learning through contest and awards programs. For each area studied in the curriculum, a corresponding contest exists for the further development of DE students. There are six student-participation contests: DE Student-of-the-Year, Job Interview, Sales Demonstration, Window Judging, Ad Layout, and Public Speaking. The four club contests are Chapter-of-the-Year, Club Project, Merchandise Manual, and Areas of Distribution Manual.

There are over 113 DECA chapters in Virginia, consisting of over 3500 members who compete in these contests on local, district, state, and national levels. This year Tamara Whitt won first place in the Job Interview Contest in District VI (Blacksburg, Christiansburg, Galax, Giles, Hillsville, Narrows, Pulaski, Radford, and Wytheville). Roger Pendleton won third place in Sales Demonstration, and Larry Pickett won second place in Display Judging.

The George Wythe Chapter was named the Chapter-of-the-Year for Virginia by having carried out more DECA activities and events than any of the other 112 DE chapters in the state. This marked the third time George Wythe has achieved this distinction and enabled the chapter to enter the National Chapter-of-the-Year Contest in Chicago. This chapter was the first in the history of Virginia DECA to enter this contest on the national level. Tamara Whitt represented the George Wythe Chapter at the National DECA Conference, where the club placed fourth in the nation for Chapter-of-the-Year.

LIBRARY CLUB

The Library Club is a service club which is made up of students who desire to serve their school through the library. Membership is limited to those students who are willing to devote a designated amount of time to this service.

Projects for the year included "Skit Night"; displays and bulletin boards relating to the library; the presentation of a movie, A LIGHT IN THE FOREST, based on a novel by Conrad Richter; financial aid to the library; and a donation to the Christmas Cheer fund. The club sponsored entries in the following events: the Boys' and the Girls' Beauty Contest, the homecoming parade, and the Mardi Gras. The club's social event for the year was a spring dance for members and guests. After a year of hard work, the club was awarded the S.C.A. Outstanding Club Award.

THE Y-CLUBS

The Y-Clubs at George Wythe High School are the Y.M.C.A. of the school. They are a fellowship of students committed to a Christian purpose: to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

Students may become members of the Y-Clubs by making written application to the Y-Council and by pledging themselves to work toward the fulfillment of the purpose. This year eighty-seven members worked on home, school, and community projects. One member served as District President; another member served as a state official at Model General Assembly in Richmond. Also the Y-Clubs had representatives at Blue Ridge Training Assembly.

By working together to attain their goals, the Y-Clubs had a most satisfying and successful year.

CIVIL AIR PATROL

The Cadets Drill Team, under the command of Cadet Captain Hoback, won the group competition at George Wythe High School in May 1963. In Roanoke, Virginia, they placed first in the state competition; and then at Cherry Point, North Carolina, they took second place in the regional competition.

Summer encampment was held at Langley Air Force Base, Virginia. Fourteen cadets from the Wytheville Squadron attended the encampment from July 13 to July 21, 1963. While there they learned what makes an Air Force Base. Also each boy received a helicopter ride.

Teena Walls, Joe Hoback, and Lieutenant Colonel Epperly help serve punch after an important meeting.

During August 14-17, five cadets enrolled in the officer's candidate school held at Bambridge Naval Training Station, Maryland. The cadets, Calhoun, Fisher, Thompson, Crowgey, and Crowder, learned what was expected of them as officers and how to be good leaders. They also learned how to march!

This year there were eleven officers in the unit. Under their commands were sixty cadets: fifty-six boys and four girls. There were five senior personnel in charge of the whole squadron: Lieutenant Colonel Epperly, Captain Lacy, Lieutenant Nillson, Captain Sproule, and Captain Thompson. The squadron appreciated their guidance and leadership, which made this year's squadron the best ever. During the school day an aerospace class was held, which seventeen cadets attended.

Throughout the year the squadron held night meetings on the first and third Mondays of each month. Approximately forty-five cadets were present at each meeting. While attending, cadets participated in classes for emergency services, aerospace classes for members not in the day class, and leadership classes for the staff.

The Wytheville Squadron had a very active emergency services division. During March they held a training mission on Iron Mountain. They had classes during the night to learn about looking for downed aircraft.

Many cadets went to Washington, D. C., to attend the Armed Forces Day events May 9-11, seeing many of the artillery and missiles that make our country great.

This year's drill team, composed of a commander, eighteen cadets, and three alternates, was the sharpest ever, winning many fine honors. This year, the peak of the Wytheville Squadron, the cadets showed their enthusiasm in the manner in which they wore their uniforms and in the way they acted.

The Future Homemakers of America Club is composed of girls who are studying homemaking in high school. Students presently enrolled in or who have had one semester of homemaking may become members of the club. The members plan and carry out a well-balanced program of work during the year. This program is based on certain club objectives. All of the club activities contribute in helping individuals to improve personal, family, and community living.

The club motto best expresses the purpose: "Learning to live better today in order that our lives and those of our families may be better tomorrow."

Virginia 4-H Club work is the youth program of the Cooperative Extension Service of Blacksburg, Virginia. The main objective of 4-H is to cultivate young people into useful citizens.

This year, the main club project at George Wythe has been to create and maintain 4-H interest. Individual projects have been sewing, dress revue, garden care, canning, cooking, cleaning house, and others.

One of the main club projects held this year was the Miss 4-H Beauty Pageant. Girls and boys from all 4-H clubs in the county participated. A Miss Senior 4-H and a Miss Junior 4-H were chosen. Following the pageant, a dance was held in the gymnasium. A door prize of $5.00 was given.

The next big event was helping the 4-H County Council construct a float for the Christmas Parade. The George Wythe 4-H Club was placed in charge of the float; and with the guidance of 4-H Sponsors, Eldridge Busic and Mrs. Schrader, the George Wythe members built a float with the theme "O Come, All Ye Faithful." A money raising project was selling Christmas trees. Another event at Christmas was the Toy Dance held at the Recreation Center. In order to enter the dance, a person had to present a toy. The toys were given to churches and Christmas Cheer for distribution. Two two-dollar gift certificates were given away.

After Christmas, the club decided upon another project to create interest. It was decided to give a Most Outstanding Member Award to one member of the club. Special requirements had to be met, and the most

Another enjoyable and challenging activity was participation in the talent show at Fort Chiswell. Sandra Shumate presented a piano solo. The club presented its first assembly program at George Wythe. After the objectives of the club were given, a movie on cottontails was presented.

The George Wythe 4-H Club has been considered the top 4-H club in the county this year. On attending achievement day, Mike De Wilde was given an award in achievement. Sharon Kegley received awards in Clothing, Leadership, Achievement, and Citizenship.

Because of its hard-working members, the George Wythe 4-H Club had a very successful year in its projects and activities.

MONOGRAM CLUB

Coach Cuba presents the first annual Sportsmanship Award to Gail Farthing.

The Monogram Club is the club for athletes. The purpose of the club is to promote an interest in clean and fair sportsmanship. To become a member, a boy must earn a varsity letter in one of the following sports: football, basketball, track, baseball, golf. A girl must earn a letter in varsity basketball or in varsity cheerleading.

The Monogram Club had several projects during the year. Many of the members helped sell refreshments at athletic events. The club entered a boy in the Boys' Beauty Contest and sponsored a basketball game between the senior girls and the faculty. This year was a successful one for the club.

GEORGE WYTHE CHORUS

The George Wythe High School Chorus was composed of sixty-six members. The chorus had many activities this year: presenting a Christmas Assembly Program, presenting a joint spring concert with the band, and performing at the Southwestern State Hospital.

The chorus also co-sponsored the "First Annual Spring Mardi Gras" with the band. The three-day event was a great success.

Nine members of the George Wythe High School Chorus were honored by singing as members of the All-State Chorus. Lavon Wilson was presented the Outstanding Senior Chorus Member Award.

Members of the All-State Chorus: Lavon Wilson, second soprano; Nancy Cunningham, second soprano; Robert Porterfield, bass; Joe Hoback, bass; Buddy Umberger, bass; Diane Warden, first alto; Caroline Smith, first alto.

GEORGE WYTHE MAROON

OFFICERS: Kenneth Wright, Drum Major; Danny Jones, Captain; Jim White, Lieutenant; Marty Bocock, Librarian; Mr. James Hurt, Director.

The George Wythe Maroon Band, consisting of seventy members, got the school year under way by attending summer band camp at the Abingdon Southwest Virginia 4-H Center.

Activities for the year included participation in half-time activities at the football games, in the Wytheville Christmas Parade, and in the Shrine Bowl Parade in Roanoke, Virginia. The band also played in the Wythe County Band Concert Program and produced a spring concert.

Honors won by the band this year included a Division I rating in Class A competition at the Bristol marching band festival and a Division I rating playing grade V music in the District VII Band Festival. Eleven members received Division I ratings in Solo and Ensemble competition, and seventeen members made the All-State Band. The Maroon Band was chosen as one of three Virginia bands to compete in the Virginia Beach Music Festival.

To raise money, the band co-sponsored the "First Annual Spring Mardi Gras" at George Wythe.

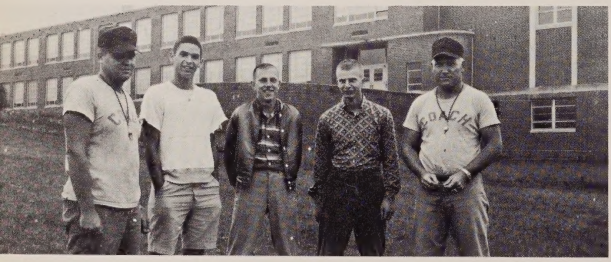
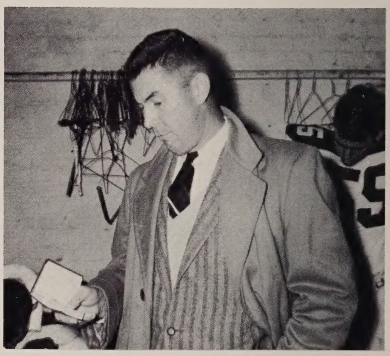
VARSITY FOOTBALL

This year's edition of the Maroons was a pre-season pick to place in the first division of the New River District standing; however, the Maroons finished in eighth place after a tough season. Several factors contributed to the Maroons' lack of success, but perhaps the two big factors were the two heartbreaking losses to Giles and to Dublin. Giles came to George Wythe's homecoming and went home with a one-point victory. The following week Dublin scored in the last minute of play to win.

The Maroons lost ten players through graduation, but a fine group of sophomores and juniors lettered. The record was not the best, but the Maroons played good football, giving almost every team in the district a tough fight.



On the front lawn are Coach Chuck Cuba, managers Keith Baumgardner and Ronnie Hall, trainer Gary Crowder, and Coach Chad White.



Team chaplain the Rev. Thomas Sproule leads the team in devotions before the last home game.

JUNIOR VARSITY FOOTBALL

Close scores were the trademark of this year's Junior Varsity football team. Coach Larry Shrader's chargers came up on the short end of the score when they deserved to win. Every team that beat the Baby Maroons knew that they had been in a tough ball game. Showing talent and desire, many of the Baby Maroons are good prospects for next year's varsity team.

VARSITY BASKETBALL

Experience, desire, depth, ability, and poise meant success for Coach Dick Kepley's Maroons. The varsity team completed the best season in George Wythe's history: 14 wins and 4 losses. Six lettermen, including all of the starters from the '62-'63 team, welcomed Coach Kepley at the beginning of his third season at George Wythe.

Lacking an abundance of height, the Maroons were often forced to rely on outside shooting, which they did well. Good ball-handling was evident, especially when the Maroons were being pressed or were freezing the ball. A very strong bench pushed the starters, as Coach Kepley used eight players interchangeably.

Poise was one of the major traits of this team, as the Maroons played smoothly when under pressure. In seven games the Maroons had to come from behind to win. From a 10-1 deficit at Giles, the Maroons came on to win by eleven. Down at halftime by six at Dublin, George Wythe won by sixteen. Nine points behind Radford at halftime, the Maroons pushed ahead and then froze the ball for three minutes for a two-point victory. Fort Chiswell enjoyed a two-point halftime lead at George Wythe; however, the Maroons outscored the Pioneers 20-1 in the third period and walked away with an eighteen-point victory. At Pulaski the Maroons, trailing throughout most of the game, pressed in the final minutes and scored the winning basket with only four seconds remaining in the game. After overcoming a fourteen-point deficit in about three minutes, the Maroons fell to Narrows on a basket with only ten seconds left in the game. The Maroons played well all season but lost in a tremendous upset to Fort Chiswell in the tournament.

During the tense game with Narrows, Coach Kepley gives Larry Corvin some instructions.

JUNIOR VARSITY

Coach Larry Shrader's Baby Maroons compiled the best Junior Varsity record in the history of George Wythe: 14 wins and 3 losses. The Junior Varsity team shot well and played a good zone defense, and Coach Shrader was often able to clear the bench before the fourth quarter. The Baby Maroons played smooth, deliberate ball and gained a considerable margin in the early parts of the games.

The two losses to Blacksburg were hard-fought games, and the loss to Dublin was a tremendous upset. Several of the Baby Maroons played good ball and seem capable of participating in varsity competition next year.

GIRLS' BASKETBALL

The girls' varsity basketball team experienced a very successful season, winning eight games and losing only three games. Girls' basketball is a very popular activity, as it is the only competitive sport for girls offered at George Wythe.

The Lady Maroons compete with teams in Smythe and Wythe Counties. The schedule is started early in November and completed in December.

This year the Lady Maroons were successful because of a smooth offense and an aggressive defense. Susan Davis, a senior, was the team's leading scorer, averaging twenty-eight points per game. The team lost several players through graduation, but many players will return next year for another good season.

JUNIOR VARSITY

The junior varsity girls' basketball team, lacking experience but possessing great spirit, won five of eleven games. The young Lady Maroons showed enthusiasm and interest during practice and in the games. With the needed experience this group should produce some fine basketball players for future varsity teams.

BASEBALL

THE RECORD

Although they won only two of eleven games, the Maroons Baseball team played good ball this year. In the home game against Radford, one of the district leaders, the Maroons made a strong comeback effort but fell short of their mark. Playing superb ball at Radford, the Maroons held the Bobcats to only four hits but lost. At Dublin the Dukes had to come back in the last inning to win by one run.

At Galax the Maroons had a good team effort to shut out the Tide 8-0. Then at Withers Field George Wythe executed one of the biggest upsets in the district: a crushing 6-5 victory over Fort Chiswell.

A young club with only two seniors, the Maroons should be a very strong team next year.

TRACK

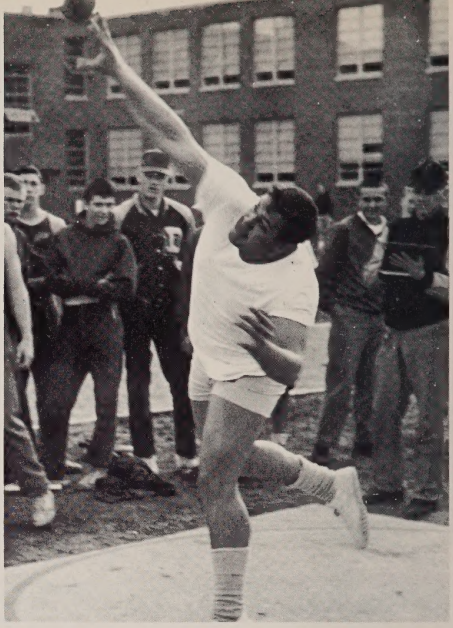
George Wythe had only three track meets this year; however, those boys who participated in the meets did well as track is primarily an individual sport. There were one meet at Dublin and two meets at home: G. W. vs. Fort Chiswell and G.W. vs. Christiansburg and Fort Chiswell.

Several of the George Wythe cindermen competed at the District meet. Coach Chuck Cuba was in charge of the track team.

Coaches Cuba, White, and Kepley prepare to time the 100-yard dash at the last home meet.

Trackmen take a rest between events during the George Wythe-Christiansburg-Fort Chiswell meet. They are Don Crawford, Timmy Osborne, Larry Lusk, Jerry Spraker, Larry Collins, Johnny Milgrim, Al Copenhaver, Jimmy Tickle, and James Wohlford. Danny Winter talks with a boy from Christiansburg.

Dennie Sutherland soars through the air in a winning broad jump of nineteen feet four inches against Dublin.



Wayne Kirby places second in the shot-put at Dublin with this mighty heave.

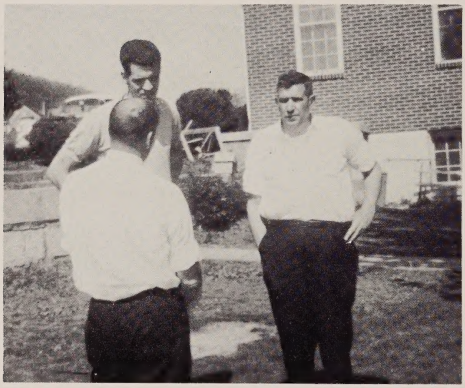
GOLF



Mr. Kepley and Mr. Whitt talk with the Galax coach before a match.

After a slow start George Wythe's golf team won five of its last six matches to finish second in the New River District standings. Five lettermen from the 1963 team were joined by two promising freshmen, Ronnie and Donnie Pattison. The Maroons lost only three of ten matches: two to undefeated district champion Giles and one to Blacksburg.

Before each match the seven golfers played a qualifying round of eighteen holes. The four players with the lowest scores were eligible to compete in the match, and the other three players were alternates for that match.

Because of Mr. Bill Woodford and Mr. Petey Johnson, who helped coach the golfers, the Maroon Golf Team had a very successful season; and interest in golf at George Wythe grew.

With the school in the background, Donnie Pattison tees off on the eighth hole.

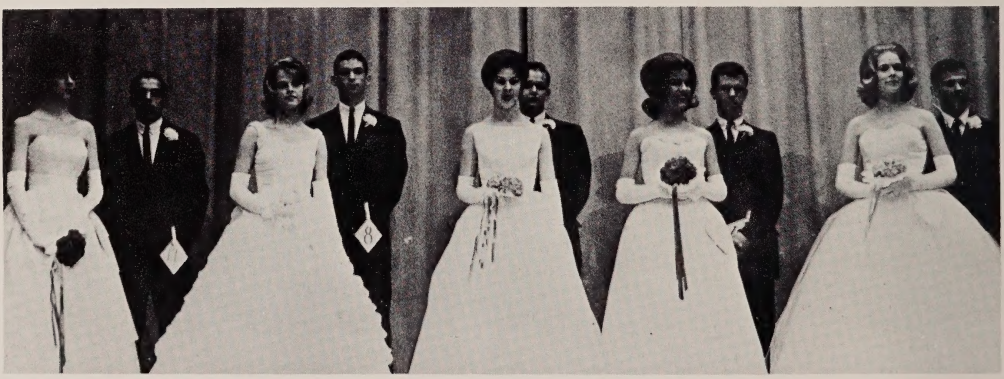
On the first night of the three-day event, presented by the music department at George Wythe, there were skits about a high school television studio. David Hedrick sits on the side of the stage during the program.

In one skit David Slough and Eddie Moore present an advertisement.



The finalists in the King and Queen competition, chosen the second night of the "Mardi Gras," were Bobbie Hampton, James Wohlford, Sue Cregger, Keith Baumgardner, Barbara Cox, R. P. James, Ellen Bowman, Lynn Cheek, Deloras Archer, and Jon Ballard.

The D.A.R. Good Citizens are selected on the basis of service, leadership, dependability, and patriotism. This award is given by the Wilderness Road Chapter of the Daughters of the American Revolution. At the spring awards assembly, the recipients are awarded a pin by the local chapter and a certificate by the National D.A.R.

The winners are chosen jointly by the members of the senior class and by the faculty. Both winners receive awards from the local chapter; furthermore, the girl competes for national honors.

D.A.R. GOOD CITIZENS

This year Teresa was S.C.A. president, outstanding senior member of the band, member of the Library Club, and Miss George Wythe High School. Teresa attended district S.C.A. conferences and worked with the All-State Band. An excellent S. C. A. president, Teresa was selected the Senior Superlative of Best Leader.

Rob Johnson was president of the senior class, valedictorian of his class, and editor of the yearbook. He was a member of the varsity basketball team, the varsity football team, the Monogram Club, and the S.C.A. In the National Honor Society, Rob served as scholarship fund chairman. He was also chosen as the Senior Superlative of Best Leader.

BOYS' STATE, GIRLS' STATE

Mary Ann Wilson attended Girls' State at Radford College, and Donald Daugherty attended Boys' State at Virginia Polytechnic Institute.

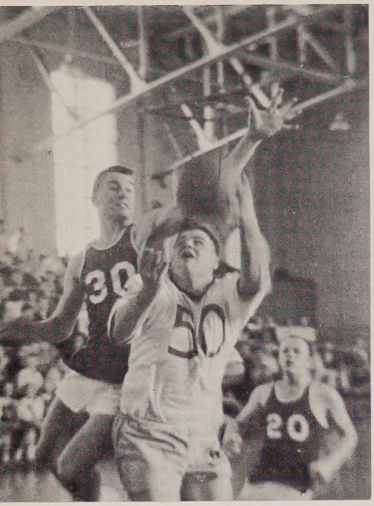
Attending Boys' State and Girls' State, sponsored by the American Legion, is an opportunity for boys and girls to learn the basic principles of self-government. Students learn about the operation of the government and participate in elections. They also form their own state and city governments.

American Legion Boys' State began in 1939 when a group of American Legionnaires in Virginia decided that youth should be introduced to self-government. Virginia Boys' State thus started at Virginia Polytechnic Institute. Later Girls' State was instituted at Radford College.

Today thousands of young men and women from fifty states, the District of Columbia, and the Department of Panama participate in their local Boys' States and Girls' States.

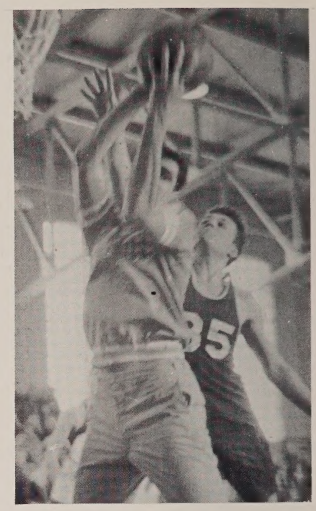
The students who attend Boys' State and Girls' State are considered to be outstanding leaders in their schools. They are sponsored by their school and by a local civic group. The students are selected by the faculties of their schools.

The American Legion feels that it is making a sound investment in the future of the United States by training the future leaders in the process of orderly government.



Bruce Patterson jumps to try to block a layup by Coach Cuba, and Joe Hoback rushes to help. In the afternoon game, viewed by most of the student body, Coach Cuba hit for ten points, and Bruce tallied nine points.

Keith Baumgardner shoots a hook shot as Coach Kepley reaches to defend. Keith Baumgardner led the seniors in scoring with 19 points; Coach Kepley led all scorers with 25 points.



John Pendleton tries unsuccessfully to steal a rebound from Coach Kepley. Rebounding was a big factor in the game, as the faculty out-rebounded the seniors 45 to 16.

FACULTY 59, SR. BOYS 51

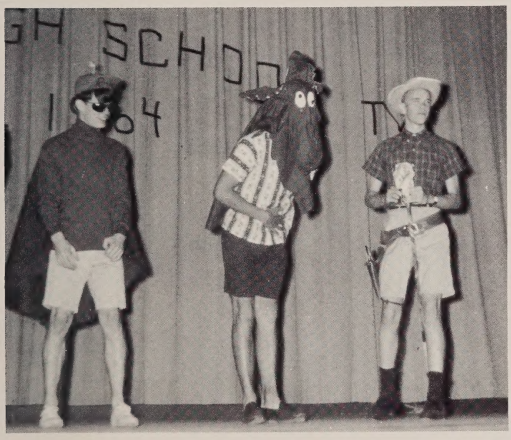
CLASS DAY



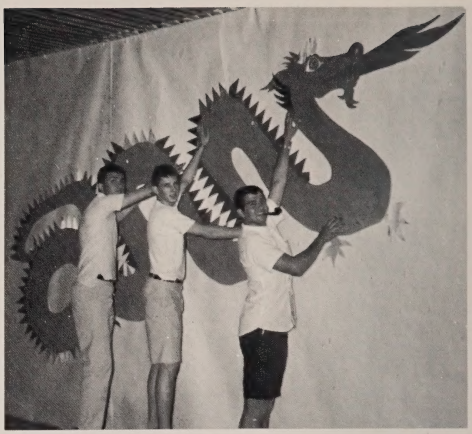
Taking a bow are three of the players in the "Bullwinkle Playhouse": Rocky Squirrel (Rob Johnson), Bullwinkle B. Moose (Bruce Patterson), and Dudley Do-Right (John Park).

Senior Class president Rob Johnson and emcee John Pendleton present to Mr. Whitt the class gift to the school: a check for the purchase of a George Wythe High School flag.

Miss Lelia Huddle, former teacher at George Wythe and guest of honor at Class Day, receives a gift from emcee John Pendleton.

Chalmer Frye, Margaret Lester, Rod Crowgey, Tammy Whitt, and Jackie Kirby present the senior wills.

Having finished painting the walls, Fran Austin and Lynn Cheek decide to paint each other.



Danny Winter, Dennis Goff, and Jerry Bonham put up the dragon at the back of the gymnasium.

JUNIOR-SENIOR PROM

Deloras Archer, Holly Hale, and Ellen Bowman seem to have solved the problem of holding up Connie Kitts, Martha Smythers, and Debbie Gates while they paint.

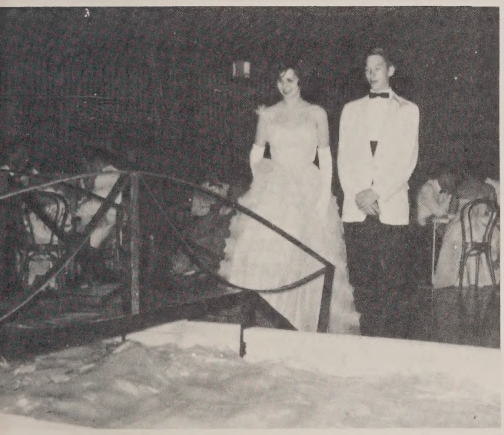
Ann Hilton and Ronnie Montgomery help Richard Newberry with the light fixtures--lanterns--another enchanting decoration.

Everyone certainly looked nice the night of the prom. Seated at the front end of the gym are Barbara Layne, John Brinkley, Patty Rowe, Rod Crowgey, Teresa Musser, and Donald Daugherty.

The juniors utilized their talents, as they painted all of the wall scenes, including this beautiful scene on the theme wall.

Darlene Hedrick, David Cunningham, and Ellen Bowman chat outside the refreshment room.

"SHANGRI-LA"



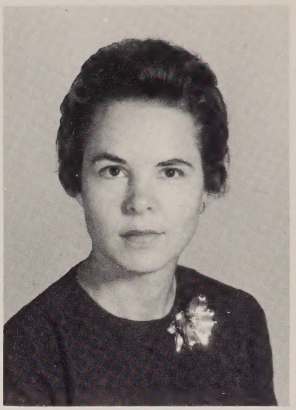
Teena Walls and Timmy Osborne admire the cute pond and bridge at the center of the gymnasium.

Students dance with their dates, as The Kingsmen play a familiar tune.

Dennie Sutherland, Bud Umberger, and John Pendleton seem as though they have lost something. Could it be that Bud is looking for his date?

With the theme in the background, John Park, Debbie Gates, Bobbie Hampton, Rickey Howard, and Rob Johnson begin to dance.

Taking a curtain call are Bill Carpenter (Hans, the shoemaker), Debbie Gates (the shoemaker's wife), and John Drew (Fritz).



Mrs. Jean H. Bowman, director of the play.

ONE-ACT PLAY

George Wythe High School presented a one-act play in the District Festival at Dublin, where the play received a superior (I) rating. Then the players went to Charlottesville to the State Festival, where the group received a rating of good (III). Later the play was presented to the students at an assembly.

The play, a medieval farce, "The Shoemaker's Wife" was directed by Mrs. Jean H. Bowman. The cast consisted of Debbie Gates, John Drew, and Bill Carpenter.

Hans, the shoemaker, plays dead.

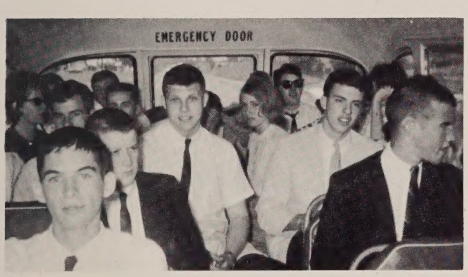
The shoemaker's wife comforts Fritz and discomforts Hans.

An angry wife scolds two unhappy peasants.

Couples begin dancing, as the program opens. The participants arrived home in time to see themselves on the video-taped television program.

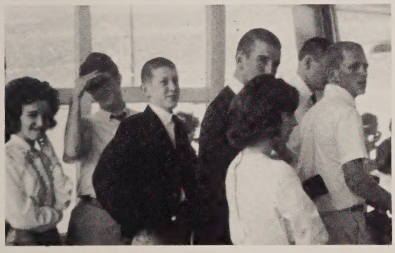
The Henchmen Three, Danny Jones, Jim White, and Frankie Lindamood, sing "Tiajuana Jail" during the show. The George Wythe Stage Band also performed.

SATURDAY SESSION



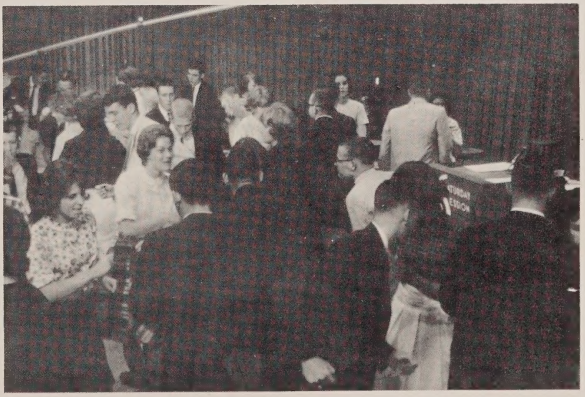
That trip home was really long, wasn't it? We thought we would miss the program!

Jim White, Frances Allison, Teresa Musser, and Gary Crowder talk with host Dudley Townsend before the show begins.



The long trip and the dancing made everyone very hungry. These students wait to be served at a drive-in restaurant.

Karen Hagee and Powell Johnson enjoy their lunch and a little rest.



Couples dance to the last song, "Crooked Little Man." George Wythe was well represented, as over seventy students participated in the program.
